

We provide highly personalised fund administration, accounting and other offshore financial services to select international clients.

We are primarily active within the hedge fund industry and the family office environment.

We aim to offer service with an exceptional level of customisation, supported by technical skills, efficient communication and sophisticated systems.

Tromino Financial Services Ltd. was incorporated in Bermuda on 19 May 2005. The company is licensed as a Fund Administrator by the Bermuda Monetary Authority under the Investment Funds Act 2006.

The company's fully owned subsidiary in Malta, operating under the name of Tromino Financial Services (Malta) Ltd., is recognised by the Malta Financial Services Authority to act as a Fund Administrator.

Through our large network of contacts in the industry and operational alliances with several providers of complementing services we are well positioned to offer to our clients a comprehensive range of offshore financial services.
